Supplement to our Class Schedule through 2009...

INTRODUCTION TO BONSAI WORKSHOP

Become aware of all the elements of bonsai through this beginner's course. History, styles, design, year-round maintenance, pruning, wiring, potting and refinement are all covered, along with a hands-on workshop where you will create your own future masterpiece. A great 'refresher course'. Plant, pot, soil, wire, fertilizer and booklet are included.

Fee: \$85

Observer: \$20

Dates: Sat, Oct 31

9:30 am to 4 pm

INTRODUCTION TO TROPICAL BONSAI

Tropical & subtropical plants make good candidates for indoor bonsai. Understanding different climates of the world is a key to choosing plants suitable for indoor culture. Plant, pot, soil, wire & supplies are included in this hands on workshop.

Fee: \$70

Observer: \$20

Date: Sat, Nov 14

9:30 am to 3 pm

WINTER PRUNING & CARE & TOOL SHARPENING

Consider this an introduction to or a refresher course on pruning and maintenance of trees, both in the landscape or in pots. Lecture will be followed by a Q&A and a chance to practice pruning (plant provided). You may bring your hand tools for cleaning and sharpening.

Fee: \$40

Date: Sat, Nov 21

9:30 am to 1:30 pm
